#### QualityPath for Tests

Most types of outpatient CTs and MRIs are available through *QualityPath* at these locations. If possible, tell us before you have your test by going to www.qualitypath.com/TellUs.

#### **QualityPath** for Surgeries

Knee replacement, total hip replacement and coronary artery bypass graft (heart bypass) surgeries are available at these locations from *QualityPath* doctors and hospitals working together. You must call the Patient Experience Manager at 800.223.4139 before you have surgery. It's best to call as soon as you learn you may need surgery.
