

# Sully's Holiday Fun Money for Non-Profit Organizations

Is your Not for Profit Organization looking for a different way to make money this Holiday Season? Well, 'Tis the Season', we at Sullivan's Foods always need a helping hand at the Front End of the store during the holidays. We believe that Sullivan's Foods and local organizations working together create a dynamic team and the results are great customer service for Sullivan's Foods customers and dollars in hand for your non-profit organization.

## Here is how it works:

1. Select one of the dates and times below your organization can donate time and sign up with your local store manager. Each store reserves the right to limit the number of shifts available to help as many organizations as possible.
2. Select a minimum 3 to 4 outgoing individuals, who are at least 16 years of age, capable of lifting 50 pounds, and have no physical restrictions.
3. We have 4 hour incremental times organizations may donate time at Sullivan's. It will be up to the organization if they elect to reduce the time to smaller increments for their members. (Example-maybe you have 8 individuals-all who are willing to donate 2 hours each)
4. As it is a busy season, it is imperative that as an organization, when you commit, you have the people available. Nothing would be worse than your organization's members not showing up, shorting our customers of the services they deserve.
5. 15 minutes prior to the scheduled time, individuals shall present themselves at Sullivan's Service Desk for a briefing on what is expected and how to bag groceries.
6. Tasks that will be assigned shall be: bagging groceries, getting grocery carts, assisting customers, price checks and some minor stocking of shelves.
7. Attire: If your group or organization has a shirt or uniform - we encourage you to wear that. Example a basketball team - wear an identifying shirt. If you have no special attire for your group we will lend you a Sullivan's Foods apron. Since cold weather is upon us, it will be the organization's members responsibilities to bring and wear their own outerwear, including, hats, coat, gloves and boots.
8. Sullivan's Foods will donate **\$150.00** for each 4 hours of service conducted via a total of 4 individuals.
9. Bring your organization's poster to display while you are bagging!

## Dates Available:

Saturday, December 21	9:00 AM - 1:00 PM
Saturday, December 21	1:00 PM - 5:00 PM
Sunday, December 22	10:00 AM - 2:00 PM
